

MILL CREEK TRIANGLE TRAIL

Feasibility Study | Project Fact Sheet

www.millcreektriangle.org

PROJECT OVERVIEW

The Mill Creek Triangle Trail is a vision for a 38+ mile shared use trail network in northern / central Hamilton County, throughout the Mill Creek watershed.

The overall vision for the Mill Creek Triangle Trail is to connect Winton Woods, Glenwood Gardens and Sharon Woods to the CROWN trail network in Cincinnati.

PROJECT BENEFITS

- Enhance connectivity between communities in the heart of Hamilton County
- Link trails, parks, and recreation amenities
- Spur economic development and increase property values
- Expand safe walking and biking opportunities for all ages and abilities
- Improve public health and promote active lifestyles
- Reduce traffic, congestion, and transportation emissions
